

Grunts level tales of soldiers in the post-Vietnam U.S. Army that shaped a force instrumental in dissolving the Soviet Union. Tyler Willett's journey from young corporate executive who unexpectedly enlists in the infantry, follows he and his young family through the turbulence, setbacks and triumphs shaped and shared by the men who trained him, led him and those he had the honor to lead himself.

Readers Favorite 5-Star Review Quotes

"Sitting somewhere between the great American short story and the great American novel, Grunts, Gramps & Tanks by Rick Bogdan...reminded me very much of the Nick Adams series of short stories by Hemingway...with sparse, gritty, descriptive writing...Overall, a very polished piece."

"Grunts, Gramps & Tanks is such a brutally honest depiction of military life...so many important and inspiring lessons to be gained...the entire book was extremely compelling."

"Grunts, Gramps & Tanks is straightforward, engaging, educational, and funny as hell."

"The author had me hooked from the first page when the protagonist joins the army without talking it over with his wife first. I had to find out what happened after that."

Rick Bogdan retired from the U.S. Army as a lieutenant colonel and later retired from his Department of the Army civilian position. Living in Baltimore, Maryland with his wife Teresa, he enjoys running, golfing and riding motorcycles, while planning to pen another novel.

★ GRUNTS, GRAMPS & TANKS
Rick Bogdan

"You have put together a wonderful book!"

– General (R) Gordon R. Sullivan U.S. Army
